RETOUCHING:

The image retouching process cleans up facial lines, shadows, some face shine and blemishes. There are NO additional Retouching or "Pose Selection" fees. All package and print prices include retouching.

CORRECTIVE ARTWORK:

There will be an additional charge (\$25 minimum) for any artwork to remove glasses glare, stray hair, or large areas of shadow. We will give you an estimate.

If you wear glasses we ask that you contact your eye doctor to borrow a pair of frames without lenses prior to your portrait session!!

The new "anti fatigue" coating for electronic devices glares purple and cannot be corrected.

"CAN I ORDER LATER"

Yes! If you need more photos we'll be glad to make more.

"WILL YOU MAIL THE PHOTOS?"

Finished portrait orders may be shipped or mailed at your request. We will calculate shipping charges and add this to your order. Local delivery and pickup of printed orders will be at the studio.

As time goes by your portrait will have lasting value to your family. We offer custom framing and collage composite options.
